

The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, go to hr2.chevron.com or

contact the Chevron Human Resources Service Center at 1-888-825-5247 (1-832-854-5800 outside the U.S.). For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms, see the Glossary. Important Questions	Answers	Why This Matters:
What is the overall deductible?	For Medical, Prescription Drug, and Mental Health and Substance Use Disorder combined.	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before
	For <u>network providers</u> . \$3,200You Only \$6,400 You and One Adult/\$3,200 Per Person \$6,400You and Child(ren)/\$3,200 Per Person \$6,400 You and Family/\$3,200 Per Person For <u>out-of-network providers</u> . \$6,400 You Only \$12,800 You and One Adult/\$6,400 Per Person \$12,800 You and Child(ren)/\$6,400 Per Person \$12,800 You and Family/\$6,400 Per Person	this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible?</u>	Yes. Preventive care for network providers are covered before you meet your deductible. Deductible does not apply to certain preventive care in network services as specified by the Affordable Care Act. The following are a few major exceptions that do not count toward the <u>deductible</u> : charges in excess of contracted rate/ <u>allowed amount</u> by an <u>out-of-network provider</u> (balanced billed charges); your share of costs and expenses under the Vision Program; charges that aren't covered or <u>medically necessary</u> under the <u>plan</u> ; penalties for non-compliance; health care this <u>plan</u> doesn't cover; the difference between cost of generic and brand-name drug; the difference between the network and the out-of-network pharmacy); and charges that aren't covered by the plan.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>https://www.healthcare.gov/coverage/preventiv</u> <u>e-care-benefits/</u> .

(DOL - OMB control number: 1210-0147/Expiration date: 5/31/2022)(HHS - OMB control number: 0938-1146/Expiration date: 10/31/2022)

Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-</u> pocket limit for this plan?	For Medical, Prescription Drug, and Mental Health and Substance Use Disorder combined: For <u>network providers</u> \$5,000 You Only \$10,000 You and One Adult/\$5,000 Per Person \$10,000 You and Child(ren)/\$5,000 Per Person \$10,000 You and Family/\$5,000 Per Person	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
	For <u>out-of-network providers</u> \$10,000 You Only \$20,000 You and One Adult/ \$10,000 Per Person \$20,000 You and Child(ren)/ \$10,000 Per Person \$20,000 You and Family/ \$10,000 Per Person	
What is not included in the <u>out-of-pocket limit</u> ?	The following are a few major exceptions that do not count toward the medical <u>out-of-pocket limit</u> : <u>premiums</u> ; difference between the cost of generic and brand name drugs; additional <u>coinsurance</u> amount when you go to a retail <u>network</u> pharmacy after the first refill of a prescription for maintenance medications; your share of costs and expenses under the Vision Program; charges that aren't deemed <u>medically necessary</u> under the <u>plan</u> ; penalties for failure to obtain <u>pre-authorization</u> for services; charges in excess of contracted rate/ <u>allowed amount</u> by an <u>out-of-network provider</u> (<u>balance billed</u> charges) and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes, BlueCard PPO. See <u>www.anthem.com/ca</u> or call 1-844627-1632 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of- network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network</u> <u>provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
