

Looking for a doctor?

Finding one online is fast and easy

Use our online **Find a Doctor** tool to look for doctors, hospitals, labs and other health care professionals in your Anthem Blue Cross plan. Check if your favorite doctor is part of your plan, or look for one near you. Avoid getting care from doctors outside of your plan if you can – it will cost you more or your plan may not cover it all.

Here's all you need to do:

If you're a member

Go to anthem.com/ca, select the member icon  and log in.

Under *Useful Tools* on the right, select **Find a Doctor**.

You can also use your ID number or the first three letters (**CCV**) to search without logging in by selecting **Menu** and choosing **Find a Doctor** under *Care*.
