# plan ahead save key benefit contacts

human energy. yours.™

In the event of an emergency, would you or your family know how to contact Chevron for matters related to your medical, life and accident insurance, disability or retirement benefits? The Human Resources (HR) Service Center is a good place to start, and they can even facilitate connections directly with your health plans, if needed. Plan ahead now and save this key contact information on your phone and with your important papers so you have it when you *really* need it.

## call the HR service center

- **1-888-825-5247**
- 6 a.m. to 5 p.m. Pacific time (8 a.m. to 7 p.m. Central time)  
Monday through Friday (except on holidays)

If you don't know your personal identification number (PIN), hold on the line when prompted to enter your PIN until the system offers additional options.

## benefits information online

- **hr2.chevron.com** on the internet.
- This site has benefit and contact information and links to Benefits Connection, Fidelity and other plan websites.
