## flexible spending account reimbursements (HCSA | LHCSA | DCSA)

If you participated in the Health Care Spending Account (HCSA), the Limited Purpose Health Care Spending Account (LHCSA) or the Dependent Day Care Spending Account (DCSA) plans in 2017, **June 30, 2018**, is your last chance to submit claims for reimbursement of eligible expenses incurred on or before December 31, 2017. You'll need to submit a claim for reimbursement for those transactions in which you couldn't use the special purpose HCSA/LHCSA debit card (if any). If you miss the June 30 deadline, you will not be reimbursed, and any remaining funds in your 2017 account will be forfeited.

- Upload receipts and EOBs to the **Documentation Library** on the [HealthEquity website](#) or mobile app to link with claims for reimbursement or use for substantiation requests from debit card charges.

## health claims

**June 30, 2018**, is the deadline to submit claims for last year's **out-of-network** medical, dental or mental health expenses, (except when noted otherwise). Detailed deadlines for other plans you may be enrolled in are included on the next page. If you don't submit a claim by the deadline, you will not be reimbursed for your 2017 covered charges.

Keep in mind that you don't always need to file a claim. If you received services from a network provider in the U.S., a claim was automatically filed for you. If you have questions, contact your 2017 health plan directly. If you don't see your claim form **posted on the next page**, [contact your health plan directly](#) to get one.
