

# 2014 Claims Due June 30

## Healthcare Coverage, Flexible Spending Accounts

### Your Health.

### Flexible Spending Account Reimbursements (HCSA and DCSA)

If you participated in the Health Care Spending Account (HCSA) or the Dependent Day Care Spending Account (DCSA) plans in 2014, **June 30, 2015**, is your last chance to submit claims for reimbursement of eligible expenses incurred on or before December 31, 2014. If you miss the June 30 deadline, you will not be reimbursed, and any remaining funds in your 2014 account will be forfeited. You'll need to submit a paper claim for those transactions in which you couldn't use your special purpose debit card (if any).

### Health Claims

**June 30, 2015**, is the deadline to submit claims for last year's **out-of-network** medical, dental or mental health expenses, (except when noted otherwise). Detailed deadlines for other plans you may be enrolled in are included on the next page. If you don't submit a claim by the deadline, you will not be reimbursed for your 2014 covered charges.

Keep in mind that you don't always need to file a claim. If you received services from a network provider in the U.S., a claim was automatically filed for you. If you have questions, contact your 2014 health plan directly. If you don't see your claim form posted here, contact your health plan directly to get one.
