

# Plan Ahead for Emergencies. Save Key Benefit Contacts.

Your Life.

In the event of an emergency, would you or your family know how to contact Chevron for urgent matters related to your medical, life and accident insurance, disability or retirement benefits? The Human Resources (HR) Service Center is a good place to start, and they can even facilitate connections directly with your plans, if needed. Plan ahead now and save this key contact information on your phone and with your important papers so you have it when you *really* need it.
