## Your Life.

### Attend the Live Webinar

#### College Admissions: The Insider's View

April 14, 2015, noon Pacific time

Questions and answers 1 – 1:30 p.m.

#### For parents of students in the eighth through 12<sup>th</sup> grade.

This webinar provides a comprehensive overview of high school planning and the college admissions process. You will learn:

- **Tips and strategies** on selecting courses, getting involved in outside activities and choosing the appropriate standardized tests.
- The most important aspects for **identifying the right colleges** that are a strong fit for a child based on his or her interests and qualifications.
- Valuable tricks to a **successful application** and how to avoid some common essay pitfalls.
- How an admissions committee **determines a candidate's strength**—the inside perspective from an admissions officer.

Registration is **required** to attend. First-time user passcode: **chevroncoach**

Family members, spouses and domestic partners are welcome to join. There is no charge for this webinar.

### Registration

To access College Coach and register for the webinar, go to <https://passport.getintocollege.com>. First-time users can register by selecting **Signing Up is Easy. Start Today** and, when prompted, enter the company passcode: **chevroncoach**.

### Personalized Counseling Sessions

In addition to the webinar, you can also register for a personalized counseling sessions. These free, 45-minute sessions give you the opportunity to speak, via phone, to a former admissions officer regarding course selection, narrowing down your college choices, and application preparation. Visit the [College Coach website](#) at any time and select **Phone Counseling**.
