

New Security Features for Your Vanguard Account

Your Wealth.

In the coming months, Vanguard, the company that administers the Employee Savings Investment Plan (ESIP), will be introducing some new online security features to provide additional protection for your retirement assets. If you are an ESIP participant and you manage your account online, you will receive notification from Vanguard by email or when you log on to the Vanguard website whenever security enhancements are made.

If you have any questions about the new security features or your ESIP account, you can contact Vanguard through the HR Service Center at 1-888-825-5247, option 1.
