

key benefit contacts plan ahead for emergencies

human energy. yours.™

In the event of an emergency, would you or your family know how to contact Chevron for matters related to your medical, prescription drug, life and accident insurance, or other critical benefits and resources? Plan ahead now and save this key contact information on your phone and with your important papers so you have it when you really need it.

hr2.chevron.com

This website is available at work or at home from any computer or device with internet access. You can quickly access **phone numbers** and **links** to important benefits websites such as BenefitConnect, telehealth services, or the website for your medical and prescription drug coverage. **Should an event occur, look for a large banner on the home page to access focused resources even more quickly.**

HR service center

1-888-825-5247

6 a.m. to 5 p.m. pacific time (8 a.m. to 7 p.m. central time)
monday through friday (except on holidays)

The Human Resources (HR) Service Center can help answer questions about your benefits, including eligibility for coverage. They can even facilitate connections directly with your health plans, if needed.
