

## dental

### available to *all* eligible participants:

#### Chevron Dental PPO Plan | Delta Dental

You can see any dentist you choose but using a network provider saves you money. There are two levels of networks to choose from. Use a **Delta Dental PPO** network provider to get the *greatest* savings but using at least a **Delta Dental Premier®** network provider will also reduce your out-of-pocket costs.

coverage level	monthly cost	deductible	
		network	out-of-network
You only	Your personalized premium cost information will be included in the enrollment materials you will receive in November directly from Benefit Connect   COBRA.		\$100
You + one adult		No deductible	\$200 per person
You + child(ren)			\$200 per person
You + family			\$200 per person

### available to eligible participants *only* at certain zip codes:

#### Chevron Dental HMO Plan | DeltaCare USA

With an HMO you *must* visit a provider in the network, otherwise your services aren't covered (except for certain emergency situations). In addition, you must visit your selected **DeltaCare USA primary care dentist** to receive benefits. Most services not performed by your primary care dentist must be authorized by DeltaCare.

coverage level	monthly cost	deductible
You only	Your personalized premium cost information will be included in the enrollment materials you will receive in November directly from Benefit Connect   COBRA.	No deductible
You + one adult		
You + child(ren)		
You + family
