Important Questions	Answers	Why This Matters:
What is the overall deductible?	$0.	See the Common Medical Events chart below for your costs for services this plan covers.
Are there services covered before you meet your deductible?	Yes. All mental health and substance use disorder services.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply.
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	$2,000 You Only $4,000 You + One Adult $4,000 You + Child(ren) $6,000 You + Family	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Premiums, balance billing charges, and health care this plan doesn't cover; your share of costs and expenses that aren't deemed medically necessary under the plan; penalties for failure to provide required notification to the plan for services; charges in excess of contracted fees for network providers; charges resulting from failure to meet this plan's notification requirements.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.

Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
