

The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, go to hr2.chevron.com or

contact the Chevron Human Resources Service Center at 1-888-825-5247 (1-832-854-5800 outside the U.S.). For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms, see the Glossary. You can view the Glossary at <u>www.healthcare.gov/sbc-glossary/</u> or call 1-844-627-1632 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	<ul> <li>For Medical, Prescription Drug, and Mental Health and Substance Use Disorder combined.</li> <li>For network providers.</li> <li>\$5,000 You Only</li> <li>\$10,000 You and One Adult/\$5,000 Per Person</li> <li>\$10,000 You and Child(ren)/\$5,000 Per Person</li> <li>\$10,000 You and Family/\$5,000 Per Person</li> <li>For out-of-network providers.</li> <li>\$10,000 You Only</li> <li>\$20,000 You and One Adult/\$10,000 Per Person</li> <li>\$20,000 You and Child(ren)/\$10,000 Per Person</li> </ul>	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
	\$20,000 You and Family/\$10,000 Per Person	
Are there services covered before you meet your <u>deductible?</u>	Yes. Preventive care for network providers are covered before you meet your deductible. Deductible does not apply to certain preventive care in network services as specified by the Affordable Care Act. The following are a few major exceptions that do not count toward the deductible: charges in excess of contracted rate/allowed amount by an out-of-network provider (balanced billed charges); your share of costs and expenses under the Vision Program; charges that aren't covered or medically necessary under the plan; penalties for non-compliance; health care this plan doesn't cover; the difference between cost of generic and brand-name drug; the difference between the network and the out-of- network pharmacy price (including when you don't provide your ID card at a network pharmacy); charges that aren't covered by the plan.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>https://www.healthcare.gov/coverage/preventive-care- benefits/</u> .

Are there other deductibles services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?	For Medical, Prescription Drug, and Mental Health and Substance Use Disorder combined For <u>network providers</u> \$6,550 You Only \$13,100 You and One Adult/\$6,550 Per Person \$13,100 You and Child(ren)/\$6,550 Per Person \$13,100 You and Family/\$6,550 Per Person For <u>out-of-network providers</u> \$13,100 You Only \$26,200 You and One Adult/\$13,100 Per Person \$26,200 You and Child(ren)/\$13,100 Per Person \$26,200 You and Family/\$13,100 Per Person	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	The following are a few major exceptions that do not count toward the medical <u>out-of-pocket limit</u> : <u>premiums</u> ; difference between the cost of generic and brand name drugs; your share of costs and expenses under the Vision Program; charges that aren't deemed <u>medically necessary</u> under the <u>plan</u> ; penalties for failure to obtain <u>pre-authorization</u> for services; charges in excess of contracted rate/ <u>allowed amount</u> by an <u>out-of-network provider</u> ( <u>balance billed</u> charges) and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes, BlueCard PPO. See <u>www.anthem.com/ca</u> or call 1-844-627-1632 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.

### About these Coverage Examples:

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
