office hours: severance and benefits

leaving chevron with severance

Live virtual office hours are your opportunity to ask general, clarifying questions about the U.S. severance program and your Chevron pay and benefits when you leave Chevron. Prior to attending, please note the following:

- **This session is for severance or pay and benefit questions** (health, protection, time away, pension, 401(k), retiree medical, final pay, etc.).
 - Expression of interest and the selection process will not be covered. Visit the [Enterprise HR Selections and Resource Center](#) for more information.
- **This is not intended as a training session.** Be sure to review the benefits and severance information and the [three-part video series](#) available on the Leaving Chevron website at hr2.chevron.com/leavingchevron and be ready to ask your clarifying questions live.
- **Office hours are optional and will not be recorded.** If you don't have questions, you don't need to attend.
- **Due to health privacy, we cannot address the specifics of your personal situation.** See the plan contact information posted on the Leaving Chevron website for alternatives.

Available at work or from home, the Leaving Chevron website at hr2.chevron.com/leavingchevron includes a comprehensive collection of information, on demand videos, to-do milestone list, contacts and other resources to help you navigate the leaving Chevron decision process.
