What is not included in the out-of-pocket limit?	Premiums , balance billing charges, and health care this plan doesn't cover; your share of costs and expenses that aren't deemed medically necessary under the plan ; penalties for failure to provide required notification to the plan for services; charges in excess of contracted fees for network providers ; charges resulting from failure to meet this plan's notification requirements. Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.</p>
<p>Do you need a referral to see a specialist?</p>	<p>No.</p>	<p>You can see the specialist you choose without a referral.</p>
