

Aflac Group Hospital Indemnity

INSURANCE

Even a small trip to the hospital can have a major impact on your finances.

Here's a way to help make your visit a little more affordable.

This is a supplement to health insurance. It is not a substitute for essential health benefits or minimum essential coverage as defined in federal law.

In California, coverage is underwritten by Continental American Life Insurance Company.

GROUP HOSPITAL INDEMNITY

The plan that can help with expenses and protect your savings.

Does your major medical insurance cover all of your bills?

Even a minor trip to the hospital can present you with unexpected expenses and medical bills. And even with major medical insurance, your plan may only pay a portion of your entire stay.

That's how the Aflac Group Hospital Indemnity plan can help.

It provides financial assistance to enhance your current coverage. So you may be able to avoid dipping into savings or having to borrow to address out-of-pocket-expenses major medical insurance was never intended to cover. Like transportation and meals for family members, help with child care, or time away from work, for instance.

The Aflac Group Hospital Indemnity plan benefits include the following:*

- Hospital Confinement Benefit
- Hospital Admission Benefit
- Hospital Intensive Care Benefit and more

* Residents of Massachusetts are eligible for Hospital Admission, Hospital Confinement, Hospital Intensive Care and Intermediate Intensive Care Step-Down Unit Benefits only.

How it works

Amount payable was generated based on benefit amounts for: Hospital Admission (\$2,000) and Hospital Confinement (\$300 per day).

The plan has limitations and exclusions that may affect benefits payable. This brochure is for illustrative purposes only. Refer to your certificate for complete details, definitions, limitations, and exclusions.
