

Three ways to get an at-home COVID-19 test

Each enrolled participant in the Prescription Drug Program with **Express Scripts** can receive coverage for up to **eight over-the-counter, at-home COVID-19 tests** every **30 days**. Physician-ordered tests and tests conducted by a health provider or facility continue to be covered under your Anthem/Cigna medical coverage.

Express Scripts Online Pharmacy

- Log in to www.express-scripts.com.
- Choose **Order At-Home COVID-19 Tests**.
- Follow the **instructions** on screen.

\$0

Retail Network Pharmacy Counter

- Locate an Express Scripts **network pharmacy**.
- Check out at the **pharmacy counter only**.
- Show your **Express Scripts ID card**.

Submit a Claim to Express Scripts

If your coverage wasn't verified at purchase and you paid full cost, submit a claim.

- Log in to www.express-scripts.com to submit a claim online (Benefits tab)
- Use the *COVID Test Kit* section on the new **Express Scripts claim form** to file by paper.
- Reimbursement is up to \$12 per individual test in a package, no deductible.

up to
\$12
per test

- Purchases must be on or after **January 15, 2022**.
- Tests must be on Express Scripts **list of covered products**.
- **No prescription** necessary.
- **Quantity and time limits apply** to coverage.
- Retailers and pharmacies may impose purchase limits.
- Cannot be previously reimbursed under another benefit plan or arrangement (Anthem coverage, HSA, HCSA, etc.)
